QM100, QM150
Quick Mount

Features
• 2 Versions - QM100 (100mm), QM150 (150mm)

## Application
• Mounting of Elsema receiver boards

QM100

Description
This 100mm long quick mount is used with our receivers that have a width of 70 mm and a length less than 100mm. If the length is more than 100mm a QM150 should be used.

QM150 is 150mm long.
