

# Battery Back-up Kit

B-BACK UP SLIDE-1224

24V/DC Sliding Gate Automation

## Kit Includes

- 2 x DM12-7.5 Sealed lead acid battery
- ARR9 Battery link cable
- ARR2 Black & Red battery cables (600mm)

Consider adding the B-BACK UP SLIDE-1224 to your B-BULL1224 motor to ensure even in the event of a power cut, you will still be able to open/close your gate. The B-BULL1224 has a convenient compartment for 2 x DM12-7.5 SLA batteries

Compatible with: B-BULL1224
