

# Battery Back-up Kit

B-BACK UP SLIDE-624

24V/DC Sliding Gate Automation

## Kit Includes

- 2 x DM12-2 Sealed lead acid battery
- ARR9 Battery link cable
- ARR2 Black & Red battery cables (300mm)

Consider adding the B-BACK UP SLIDE-624 to your B-BULL624TURBO motor to ensure even in the event of a power cut, you will still be able to open/close your gate. The B-BULL624TURBO has a convenient compartment for 2 x DM12-2 SLA batteries

Compatible with: **B-BULL624TURBO**
