

Battery Back-up Kit

B-BACK UP SWING

24V/DC Swing Gate Automation

Kit Includes

- 2 x DM12-7.5 Sealed lead acid battery
- ARR9 Battery link cable
- ARR2 Black & Red battery cables (600mm)
- B-BRAINY BOX (box only)

Consider adding the B-BACK UP SWING to your B-BOB3024E or B-BOB5024 actuator to ensure even in the event of a power cut, you will still be able to open/close your gate
