### Basic Plan

The screenshot shows the Basic Plan subscription page. It features three tabs: Basic, Plus, and Pro. The 'Basic' tab is selected. Under 'Function description', there are three icons: 15-Day Cloud Recording (Up to 3 GB), Intelligent Notification, and Activity Zone. Under 'Purchase duration', there are three options: Auto-renewing subscription Pro for \$4.99, 3 months Basic for \$14.99, and 12 months Basic for \$59.99.

### Plus Plan

The screenshot shows the Plus Plan subscription page. It features three tabs: Basic, Plus, and Pro. The 'Plus' tab is selected. Under 'Function description', there are three icons: 30-Day Cloud Recording (Up to 5 GB), Intelligent Notification, and Activity Zone. Under 'Purchase duration', there are three options: Auto-renewing subscription Pro for \$7.49, 3 months Plus for \$22.99, and 12 months Plus for \$99.99.

### Pro Plan

The screenshot shows the Pro Plan subscription page. It features three tabs: Basic, Plus, and Pro. The 'Pro' tab is selected. Under 'Function description', there are three icons: 60-Day Cloud (Up to 10 GB), Intelligent Notification, and Activity Zone. Under 'Purchase duration', there are three options: Auto-renewing subscription Pro for \$12.99, 3 months Pro for \$39.99, and 12 months Pro for \$179.99.

## Embedded & Cloud Ai Camera

On-device Ai Recognition Technology will detect humans and pets while alerting you via a push notification. It is however recommended you create a subscription for full features available and for a better experience.
