2023 Infinity Series Catalogue
Arrowhead Alarm Products

Making every home & business smart, safe & secure

Security & Control

infinity series
powered by EliteControl

Security for both domestic and commercial premises with integrated alarm, access and automation features

Smartphone App & Monitoring

EliteCloud

EliteCloud app & monitoring module for EC security systems

EC-PCB

Infinity series control panel

EliteControl 'Infinity Series' provides an unprecedented level of alarm, access & automation integration. This flexibility makes the EC paramount for general residential to luxurious homes & small to medium commercial premises.

Infinity series is completely modular, creating a versatile solution that saves excess hardware & labour in every installation.
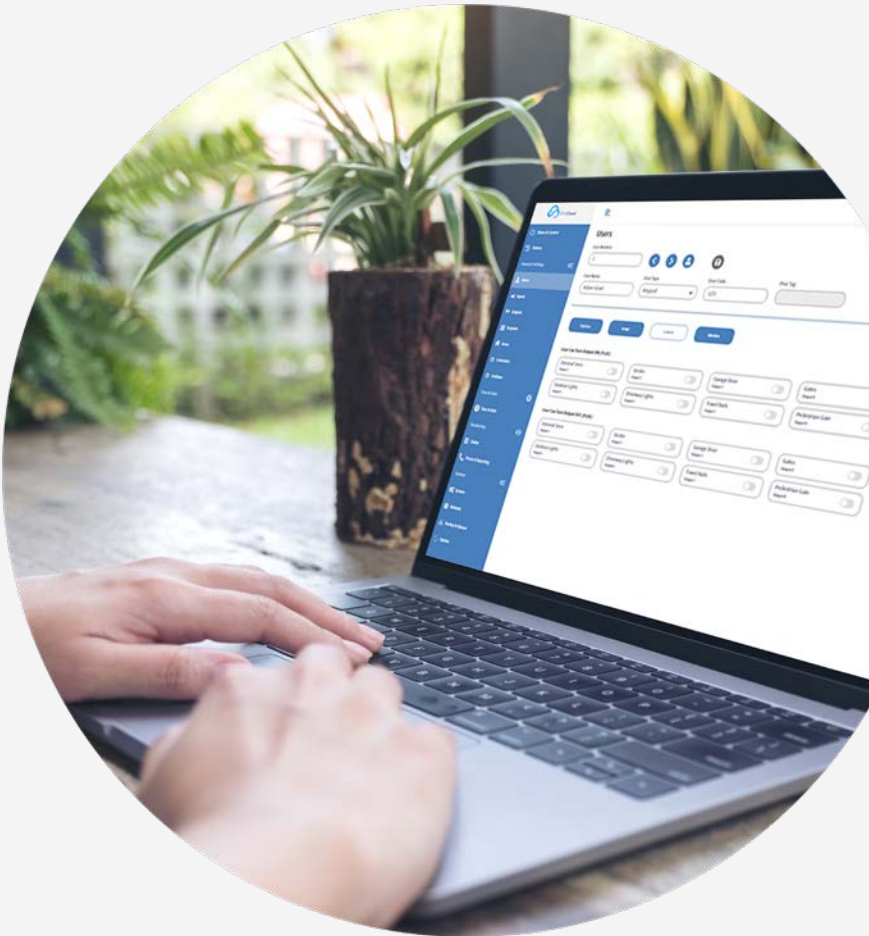

Features

- Ethernet (optional plug-in module)
- EliteCloud smartphone app (optional)
- EliteCloud dashboard (coming soon)
- Integrated access control
- Custom I/O programming
- Fire panel integration
- Infinity long range wireless
- RS232 (optional plug-in module)
- Home automation system integration
- PSTN dialler (optional plug-in module)

Supports

248 inputs	32 keypads	32 time schedules	2000 users
32 outputs	32 partitions	32 access levels	10,000 events

EC-IoT

Plug on app & monitoring module

Features

- System history
- Live sensor status
- User management
- Control up to 32 outputs
- Up to 10 sites per app user
- Up to 100 app users per site
- View & control up to 32 partitions
- Customisable favourites buttons
- Customisable push notifications
- Ongoing feature enhancement

Stay in touch with your home or business from almost anywhere. The EliteCloud app supports alarm, access control, monitoring & other control functions, along with custom push notifications directly to your Apple or Android smart device.

Manage friends, family or couriers from your app 'User list'. These people can then operate your alarm from their own smart device.

Arrowhead Alarm Products

100% New Zealand Owned & Operated | Innovative Security

Arrowhead Alarm Products was established in 1986 with a philosophy to provide top quality security equipment with an emphasis on expert back up and support. The Elite security and control system is designed and manufactured in our purpose built facility located in Silverdale Industrial Park.

On-site we have a specialised team of software and hardware engineers complimented by our lead free high speed pick and place manufacturing plant and multi stage quality control system. Each and every product we manufacture is also tested in house. This start to finish process makes us so confident that we put a 5 year warranty on every product we build. Our exclusive on-line technical support library and factory trained engineers provide unprecedented support for our loyal technicians.
