MEDI BRACELET DISCLAIMER

The Medi Bracelet ("**Bracelet**") is provided for general monitoring, reminder and detection purposes only and is not guaranteed to prevent any loss or injury. By using the Bracelet, you acknowledge and agree that to the fullest extent permitted by law, Arrowhead Alarm Products Limited ("**Arrowhead**") will not be responsible for any loss, costs, damages, expenses, failure of any kind, or for any adverse reactions, injury, effects or outcomes that arise as a direct or indirect result of:

- Any loss of connectivity, interruption, failure, defect or delay in transmission arising from or in respect of the selected network carrier that the Bracelet utilises to perform its functions;
- Any failure, disruptions or inaccuracies of any kind arising from the use of any application or programme used in conjunction with the Bracelet;
- Any failure, faults or defects of the Bracelet arising directly or indirectly from any misuse of, or damage to, the Bracelet;
- Any failure, faults or defects of the Bracelet arising directly or indirectly from any failure to use, maintain or repair the Bracelet in accordance with any instructions or directions provided by Arrowhead or the manufacturer; or
- Any delay or failure of any person or entity to respond to any alert sent from the Bracelet.

This disclaimer applies in conjunction with Arrowhead's standard terms and conditions for the supply of goods.
